DISCIPLINARY PROCEDURE – PARTICIPANTS

This procedure applies to all participants at the Care Farm and exists to ensure fair and consistent treatment for all relation to disciplinary action taken by response to allegations of unacceptable conduct or performance, in order that the Care Farm is a safe and happy environment for all participants.

General principles.

No action shall be taken against a participant until the Care Farm has fully investigated the matter complained of. If appropriate, the Care Farm may suspend a participant whilst an investigation takes place.

In general, the Care Farm will adhere to the procedure laid down by the referral agency, such as Social Care, or the Local Authority or individual school.

Stage one – oral warning.

If conduct does not meet acceptable standards, the participant may be given a formal oral warning by the Supervising Officer. The participant will be advised of the reason for the warning, that it is the first stage of a formal disciplinary procedure and that s/he has the right to appeal against the warning. A copy of this warning will be placed on the participant's file.

Stage two – written warning.

If a serious disciplinary problem arises, a participant will be asked to attend a meeting with the Supervising Officer and representative of the participant, such as a parent, carer advocate of the participant, and any other person deemed necessary such as a social worker or police officer.

The warning will state that if the participant commits a further offence during the period specified in the warning, action under stage 3 will be considered. The warning will be also advised of the right of appeal. Copies of written warnings will be placed on the participant's file and copies sent to the relevant referral services staff

member.

Stage three – final warning.

The written warning will give details of the complaint and the time limit within which a stated improvement must be made. The warnings will also advise of the right of appeal. Copies of final written warnings will also be placed on the participant's file.

Stage four – notice of dismissal.

The Supervising Officer will give notice of dismissal if the participant fails to comply on which service will end and details of the right of appeal.

Gross misconduct.

A participant who is accused of gross misconduct may be suspended from service provision whilst an investigation occurs. The Supervising Officer may dismiss the participant if, on completion of the investigation, the participant is found guilty of any of the offences contained in the Code of Practice (see above).

Such dismissal may be without notice and will be confirmed in writing specifying the reasons for dismissal and of the right of appeal.

Gross misconduct is misconduct of such a nature that the Care Farm could be justified in no longer tolerating the continuing presence of a participant committing the offence, bearing in mind the particular needs or vulnerability of the client groups attending the Care Farm.
